

**PARTNERSHIP** TO  
END HOMELESSNESS

# CASE CONFERRING & COORDINATED ENTRY

Providers participating in HMIS and Coordinated Entry will convene bi-weekly to conduct Coordinated Entry case consultation and review successful, pending, and unsuccessful referrals, as well as successful, pending, and unsuccessful matches. Additionally, providers will set priorities in engaging higher need clients and be prepared to update the Case Conferencing team at each meeting.

## **Purpose**

- Actively monitor the efficacy of and participate in our community's homeless system
- Ensure clients are receiving housing resources that are proportional to their needs

## **Community Engagement**

- Verify clients who were recently housed
- Ensure recently housed clients haven't experienced homelessness again
- Review clients who are matched, but not yet housed
- Review new matches
- Identify clients without a client assessment (VISPDAT)
