2. All programs of The Salvation Army are administered by Salvation Army Officers, who are ministers of the Gospel.
3. The motivation of the organization is love of God and a practical concern for the needs of humanity.
4. The Salvation Army's provision of food, shelter, health services, counseling, and other physical, social, emotional, psychological and spiritual aid, is given on the basis of need, available resources and established program policies.

Organizations contracting and/or cooperating with The Salvation Army may be assured that because The Salvation Army is rooted in Christian compassion and is governed by Judeo-Christian ethics, The Salvation Army will strictly observe all provision of its contracts and agreements.
